February 2021

Dear Friends

Thank you for your continued prayers and support.

We hope that 2021 has started well.

Bolivia is in the middle of a

second wave of the Covid Pandemic; recently we heard that a good friend of ours in Potosi went to be with the Lord as a result of Covid. The first vaccines have arrived in Bolivia. We continue working mostly from home.

Please Pray for:

Thanks giving

For a good quiet Christmas
For the Lords protection during the Pandemic
For the recorded Messages we are producing
For Maribel completing the CEF actualization Course and the sign language course.
For a safe return to Potosi in spite of the accident.
That Louis's Mum health scares are now under control
For the Latin Link Retreat
For the Children's Club in La Paz

Prayer

For the Timothy Institute to receive legal status
For Mission in Action as it resumes
That the Living Hope Church will be able to go ahead with the Church Anniversary
For wisdom in planning this year 2021
For new monthly supporters
That the local elections will be safe.
That the vaccination programme in Bolivia and around the world will be successful and the number of cases of Corona virus will subside.

Exodos 23:25

“Worship the Lord your God, and his blessing will be on your food and water. I will take away sickness from among you.”

God Bless You

Louis and Maribel

Living Hope Church

We hope that in February the construction work will resume again. A ladies meeting has been started We are planning the Church Anniversary and we hope this will be a physical meeting in the new building. The church anniversary is in April.

Timothy Institute

The Timothy Institute is waiting to hear back from the authorities to see how the application for legal status is proceeding.

It looks that for the time being all courses will be on line. The new Spiritual Powers manual is almost at the pilot test stage.

Latin Link

Maribel continues as part of the Latin Link forum. The annual Latin Link retreat took place in Mid-February we participated via zoom. We studied the book of Habakkuk. Louis led one of the studies.

Mission in Action

Mission in action has restarted its meetings on zoom. We are studying the book of Philippians. We pray that God will guide us as we plan this year.

The Conquerors:

We give thanks that all the ladies are well. During the Pandemic we have only been able to do a few visits and make phone calls trying to protect them during this difficult time.

Other Ministries

Maribel has finished an actualization course with the Child Evangelism Fellowship and finished her Bolivian Sign Language Course. Louis continues to record daily messages and Maribel weekly messages for women. These are available on Facebook and YouTube. Maribel Continues to do the CARE course.

The children's club at Maribel's Mums has started with all the necessary bio-security and had its Samaritans Purse discipleship graduation recently we help when we are in La Paz.

Other News

We had a quiet Christmas and New Year in La Paz. Louis continued with dental treatment and Maribel was looking at her health issues too.

We are now back in Potosi. On the way back to Potosi a dog ran out in front of us on the main road between La Paz and Oruro. We are thankful that it was only material damage to the car.

Louis's Mum was in hospital in January. We praise the Lord that a change of the medicines she had been taking seems to have helped and she is now back home and has had her first Covid jab.

At the beginning of March there will be elections to elect Departmental Governors and Mayors.
